Making the dress:

For making this dress you need to use a special stitch for elastic fabric. Sew the shoulders and sides of both dresses separately, up to the zipper mark, left side. Do the hems separately. Place the chiffon dress over the print dress and stitch around the neckline and armholes for securing in place. Apply the chiffon bias strips to the neckline and armholes, 1 cm from the edge, and turn in, forming a 1-cm piping. Sew the zipper, left side, holding both fabrics in place.
